DEDICATION

The editors and staff of the 1966 KEY are happy and proud to dedicate this year's book to Mrs. Marge Kremer. "Marge," as everyone knows her has served faithfully on the University staff since 1947. She is at present serving as Assistant manager of our food service. Marge is ever willing to help whenever called on and all her friends here at Dubuque cherish her friendship. She can often be found helping student organizations prepare for parties and suppers. Especially pizza suppers.

FALL

How will I get all that stuff up to fourth floor.

Fall is one of the most beautiful times of the year. Leaves of red, brown, green and yellow cover the ground. It's a time for new students and old students. A time of Saturday afternoon football games and Sunday morning showers. A time for parades and parties and a ride on the back of a Honda.

Three blocks to go.

FALL ON CAMPUS

NEW STUDENT

Mr. Sandven addressing freshmen.

With a jubilant air of expectancy and enthusiasm, the two hundred and ninety-four members of the class of '69 arrived on campus Tuesday, September 7. After having moved in during the day, the new frosh were addressed by President Couchman. His well received speech highlighted the two evening meetings that were designed to make the students aware of the processes of higher education and to present the University administrative staff.

But life was not all serious for the new students. The new "honor" of wearing a beanie was explained in all its detail. Work on the talent show began immediately. The Union found itself filled every night. In their dorm meeting the men began to practice for a serenade of the women's dorm. After a week filled with academic counseling, swimming tests, registration, and literally dozens of meetings, an all school dance was held Friday night. Following it, the freshmen serenaded Aitchison Hall. With Saturday came a football game with Platteville, and the freshmen talent show in the evening.

HOMECOMING

It was a "Big Wide Wonderful World" at the University of Dubuque this year. Classes were dismissed at 12:15 on Friday, October 15, and Homecoming 1965 was officially underway. Event number one on the agenda was a pep rally in McCormick Gym featuring a cheerleading skit complete with hula dancer, Siamese Twins, and even a representative from South Africa. The students attending the pep rally were small in number, but large in spirit, and the Spartans were inspired for their clash with Central College. Following the pep rally, lunch was served in the Commons. Friday afternoon found the freshmen facing the sophomores in the traditional tug-of-war, where the freshmen boys won but watched their female counter-parts go down to defeat.

After the coronation ceremonies, Social Board sponsored a concert by folksingers Bruce Markkula and Sam Johnson ... The Chi Rho Trio. Following the concert, Senate sponsored a short TGIF dance in the union.

CHEERLEADERS

The Line-up

Everyone knows the U of D has the best of everything, and cheerleaders are no exception. This year, the Superb Spartans searched high and low to find the best cheerleaders possible. After nationwide screening, Illinois proved to have almost everything Dubuque wanted. Carol, Sue, Kathy, Marcia and Kay came running when they heard that the Spartans wanted their pep and enthusiasm. Judi rushed over from Minnesota and Cookie flew in from New York to form the group known as the cheerleaders of the University of Dubuque. Linda Bowe, from Iowa, became captain of this vivacious group—and the girls began new motions and formations of cheers for the 1965-66 season.

Through the cold football games, the girls led the crowd in unison with their new cheers, "Beat College" and "Hey Team Fight". Basketball season came around and the girls again went out and cheered for team spirit. Without the pep and enthusiasm of our Spartan cheerleaders, we could not have had the school spirit that is so necessary for our team.

What could possibly make him stand out in the rain . . .

So that's what he's looking at.

The Spartans compiled their finest record since the 1949 season with an overall record of 6—2—1 and a league record of 5—2, placing them third behind winner Central College and runner up Luther.

Dubuque again started the season with Platteville and again the game ended in a tie. The following week, Wartburg College came to Chalmer's Field to open the Iowa Conference campaign. After a first period touchdown by Keith Kepar, neither team was able to move the ball and the defensive unit came in to preserve a 7—0 victory for the Spartans. The following week saw quarterback Paul Krause and the offensive team come alive with a 27—7 win over William Penn. Parent's Day provided the Spartans with their first big test. Luther College provided the opposition. After leading 7—2 for four quarters, Luther was able to score with only three minutes to go, to win 9—7. Dubuque bounced back with a 18—14 win the following week against Simpson. Central College held Dubuque's offense

in our Homecoming game and won 14—0. The last three games of the season saw the Spartan's offense come alive. In the last three games the Spartans scored 105 points and placed Dubuque as one of the best offensive teams in the conference.

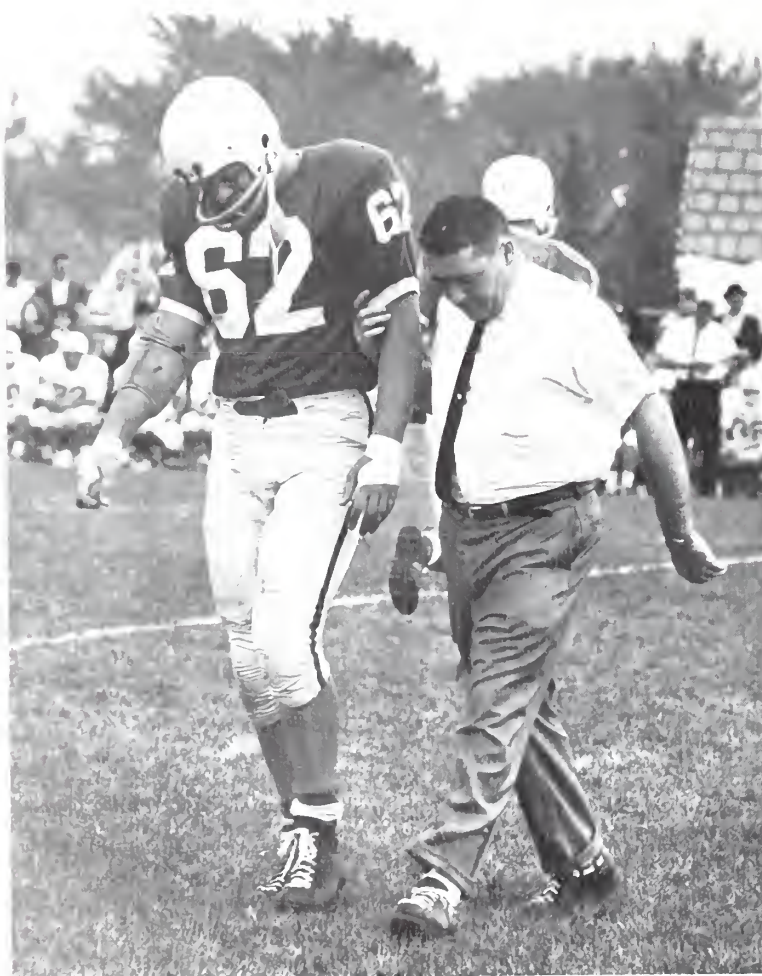

At the end of the season, four Dubuque players were picked for the All-Conference Team. They were, Dave Bacon, Paul Krause, Rick Anderson and Keith Kepar. In national small college statistics, Paul Krause proved to be one of the top passers and Dave Bacon ended up among the top five pass-receivers. In all, 11 Spartan records were broken this year, seven of them by Krause. He set new records in total yardage in one season, total yardage in one game, total yards passing in a season, total yards passing in a single game, most passes completed in a season, most passes completed in a game, and most touchdown passes in a game. Bacon set marks in passes caught in both a season and a game while Jim Martin set a new record in pass interceptions for a career.

Speed, stamina, and depth in new blood, characterized this fine season for Moco's Harriers. Acting Captain Milan Radvansky, letterman, Jim Pysanczyn, and four freshmen started the season with a loss to Wartburg, and a one point defeat by William Penn. Led in order by Pysanczyn, Lange, and Webb, the team sprinted back to victory. In a Quadrangular meet at Rockford, the team took second to St. Ambrose, but out placing Rockford and Lake Forest. The next five dual meets became victories for the Blue and White: Simpson, Platteville, Central, Upper Iowa and Parsons. Third place conference honors were captured in the record slashing run.

OFFICE OF STUDENT PERSONNEL

DEAN LEWIS W. FURDA is the dean of student affairs. Dean Furda holds his B.A. from our seminary and has worked for the University at different periods since 1957. Though it is often necessary for Dean Furda to work in a disciplinary capacity he is truly well-respected by all University students.

Secretary to Deans
Mrs. Dorothy Iwerks

DEAN GERTRUDE OTTO JARVIS has been the dean of women for three years now. Her life is one of constant activity. She is advisor to all of the women on campus as well as a sponsor for many groups. Besides all of this Mrs. Jarvis has a full time job of wife and mother.

DEAN TOM EVANS has been with us for several years but this is his first year as dean of men. Dean Evans has made many changes in the counseling system and is taking an active part in all phases of campus life.

FINE ARTS

The Fine Arts section is one of the most diverse and exciting on our campus. Hardly a week goes by when the music and dramatics people are not working on a major production. One of the main highlights of this area is the Week of Performing Arts. This past year we have enjoyed and participated in "Death of a Salesman", "Four Centuries of French Choral Music", the concert by Suzanne Bloch and a display on Photojournalism. That week there was also an award winning film on Richard III and lecture by Dr. Calvin on Russian culture.

It is the specific purpose of the music department to provide us with a general cultural background, give us an outlet for expressing ourselves creatively, or train us professionally in the field of music.

LANGUAGE AND LITERATURE

ROW 1: Mrs. Wallace, Dr. Grace Bohner, Dr. Hena Nunez. ROW 2: Dr. Agustin Pascual, Mr. Louis Tabarel, Dr. Dale Welch, Mr. Rolfe Lumpert, Mr. Jack Stevens.

Language and literature are the foundation upon which we build our understanding of other subjects. They are a bridge to understanding the past and the present, for they have taught us all we know about the past, and at the same time have given us a greater insight to the present. Through the use of language and literature we have been able to understand our own language and environment and better understand life's purpose.

EDUCATION AND PSYCHOLOGY

From left to right: Dr. Earl Steininger, Mrs. Helen Watts, Mrs. Eileen Ferris, Mrs. Gertrude Jarvis, Dr. Leroy Giles, Mr. Chester Buckley, Mr. R. W. Sandven, Mrs. Elizabeth Reed, and Mrs. Margaret Egli.

On the elementary level Mrs. Watts, new to the University this year and Dr. Steininger teach young people the basic skills and attitudes for teaching the child in the elementary school. Dr. Giles has charge of Teacher Placement and his main area of concentration is Secondary education. The workings of the mind is the field of Dr. Sandven and Mrs. Jarvis teaches a course in Guidance. Turning out teachers of physical education is the main concern of Mr. Buckley and Mrs. Egli. Mrs. Reed and Mrs. Ferris are valuable members of this team to the faculty as well as the students.

This Branch of the judicial system consists of four justices and a Chief Justice. It has original jurisdiction over student cases involving college regulations and appellate jurisdiction over decisions of the primary courts.

Women's Primary Court—The Women's Primary Court consists of two prosecutors, four magistrates, and a chief magistrate. The branch of the judicial system has original jurisdiction over cases arising from the rules governing women's residence halls.

Men's Primary Court—Men's Primary Court has original jurisdiction over most cases concerning University men. If the case is of a more serious nature, it is taken to High Court. Also, a defendant dissatisfied with the ruling of the primary court may appeal his case before the High Court.

ASSOCIATED WOMEN STUDENTS

The purpose of this organization is to foster the feeling of unity, good fellowship, and co-operation among all College women. It is composed of all women college students and led by elected officers who direct the many activities. The Big sister project helped new students to become familiar with University life. The organization also sponsored an Administration Faculty-New Student Get Acquainted Tea, Homecoming coffee for Alumni, Homecoming float, Pajama party for dorm and town-girls, and the AWS Olympics during May Fete. In order to raise money for such social functions, a dance and winter carnival were held and a Christmas card project was conducted.

They have spent many a tired night waiting for their last girl to come in or were suddenly awakened from a sound sleep and forced to run down the hall to quiet down a "party."

Head residents:

Severance—Bill Svrluga

Steffens—George Prieditis

Under the supervision of the new Dean of Men, Mr. Thomas Evans, the men's counselors and head residents have successfully organized a freshmen men's dorm and several off campus annexes. The counselors and head residents for both Severance and Steffens were picked with care and given additional training for their jobs. Counselors meetings were held weekly and "phone duty" was one designated to all Severance counselors.

The head residents and counselors watched over their boys through serenades and snowball fights and were always available as friend or adviser throughout the year.

This year Alpha Phi Omega also provided "care" packages during finals. The organization was also a big help to the University's drama department.

This fraternity received its national charter this year and received a large pledge class. All in all, this group is growing rapidly and has proven to be a great asset to the University.

Students are helped in job placement, various aspects of resume writing and in successful manners of being interviewed by prospective employers. Underclassmen were aided in deciding which field interested him so that he could arrange his courses in accordance with his field and plan for the many field trips offered each member.

In an effort to help the business student make up his mind about his future vocation, special activities were planned for him. Included in these activities were show business trends and talks by outside speakers surveying various industries.

Biology majors gather at Bios Alpha Philos meetings to hear speakers in their own field. Some programs are also given to inform these students as to opportunities in graduate school.

The University of Dubuque chapter of the Student Iowa State Education Association acquaints students with the education profession and its many problems. S.I.S.E.A. begins the year with a picnic for all members. Meetings are held once a month and include guest speakers, films, and panel discussions. One of the features of this year's program concerned the VISTA program.

This fall a large representation attended the Fall Regional at Wartburg College. Members brought back ideas and topics of interest discussed at this meeting.

The Club is the sponsor of the Homecoming dance. Candidates for Homecoming Queen and her court are nominated by D Club. This year's Homecoming Queen, elected by the student body, was Jackie Olson, a senior from Aurora, Illinois. CONCERT

The University of Dubuque Concert Choir had a busy and interesting Concert schedule this year. The choir opened its season with a concert of 'Four Centuries of French Music.' Next on the agenda was a Dinner Club program presented in coordination with the drama department. This year found the choir heading south toward Oklahoma. On the tour the choir thrilled many school and church audiences with their magnificent presentations. Staying in private homes while on the tour, the choir members were given the opportunity to meet many wonderful people across the country.

This year a new outfit was added to the choir dress. The young women in their cocktail dresses and the men in their dinner jackets made an impressive sight. The choir members were arranged in an interesting formation in order to get a richer blend and superior tone.

WINTER

A detour during the cold winter months.

A note to self-help.

AT DUBUQUE...

Winter is a time when we sleep through first hours. A time for basketball and wrestling. When freshmen challenge upperclassmen to a snow ball fight, and sororities and fraternities plan their dances. A time for Christmas vacation and finals.

Entrance to Sweet Heart Swirl.

Time for food.

A bigger cause.

Three Deltas plan a tea.

KEY Queen at her throne.

A little added equipment for Walt.

A formal dance!

A conversation with Dr. Aitchison.

Everyone watches intently.

A misunderstanding in the Que office.

Zetas have always been famous for their Playboy Lounge Dance held each fall. The theme of this year's dance was, "Playmates Through the Year." Sorority members modeled fashions representing each month. These outfits were fashioned exclusively for the dance by the Zetas.

In addition to this dance, the sorority schedules many other events. A closed party is held in the fall which is formal. The one in the spring is informal. Throughout the year the Zetas showed movies in Zuker Auditorium. Other money-making projects included serving Saturday breakfast in bed and, "Food for Thought," during finals. This year the Zetas participated in the "We Care," program. The sorority collected candy, toiletries and books to send to our men in Viet Nam.

A small sorority, Delta Phi Sigma built a big float for this year's Homecoming parade and took second place. Another big event for the Deltas' was the arrival of their new suits. During the Christmas season the Deltas again put up their "mitten tree." Their annual dance, "Dogpatch Capers," was again a big success. The spring brings rush and the Deltas are as hopeful as the other six fraternities and sororities that this will be their biggest and best pledge class.

The building of the homecoming float and planning of an alumni tea were the first of many activities in which the Gammas were involved this year. The actives worked with their officers Anita Burnett, President; Vicki Gibbs, Vice-President; Mariellyn Green, Treasurer; and Alice Thomas, Corresponding Secretary; in having a rewarding year. The aim of this sorority is to broaden the social and intellectual life of its members and to establish a perpetual bond of friendship.

With Fall Rush and a Gamma Tea 5 "toads" were taken in. Also in the first part of the year the Gamma's had a closed party, a Christmas Party, and all members wrote letters to service men in Viet Nam. Sweet Heart Swirl was a great success and very rewarding for all the work the girls put in on it. One of the main contributions of this fine group of girls was of course its famous bake sales.

PAN-HELLENIC COUNCIL

1st ROW. Anita Burnett, Kathy Pierre, Mary Bulman, Sue FitzSimons *2nd.* Mrs. Davis, Jackie Olson, Glenna Penniston, Maribeth Oetken, Vicki Gibbs, Gini Beck, Mrs. Jarvis.

Each sorority sends three representatives to serve on the Pan-Hellenic Council. The Council is responsible for coordinating rush activities by sponsoring a get acquainted tea in the fall for all girls, and the progressive teas during Spring rush. The Council is also responsible for seeing that other activities held during the year run smoothly.

Together with the Inter-Fraternity Council, the Pan-Hellenic Council sponsor the Presentation Ball, one of the biggest formal dances of the year. The advisors for the Council are Mrs. Davis and Mrs. Jarvis.

INTER-FRATERNITY COUNCIL

The Inter-Fraternity Council, composed of two members from each of the fraternities, exists to regulate fraternity activities on campus. Among the Council's duties are fraternity acquaintance during second semester and the regulation of rush, pledging and Heck Week. The group also works with the Pan-Hellenic Council in planning the Presentation Ball and sponsors inter-fraternity athletics throughout the year. Dean Furda was the faculty advisor again this year.

This fraternity held many activities during the year. They distributed the "13er" blotters this year as in the past and of course they sold the fruit cakes they are so famous for. Early in the year this group held a fine semi-formal dance on which no money was made but those who attended acclaimed as a great success.

This year as in the past the Thirteener's strove for scholarship, fellowship, leadership, and brotherhood and seemed to succeed in all four.

The Mu Sig's float won first prize at Homecoming this year, the annual Spring Gardens seemed a fitting climax to winter. The brothers of this fraternity as in years past enjoyed several closed parties too.

The new year for the Phi O's actually began in July with a great summer reunion in DeWitt, Iowa. Another Phi O newspaper was successfully edited and sent to friends, actives and alumni.

The fall activities consisted of the Phi O's Homecoming float receiving third place and a hayride in November. December brought Christmas and the Phi O's Christmas Dance which was an enjoyable success, resulting from a lot of time and effort.

In the spring, the annual car wash and farewell steak fry ended the year's activities. Although the Phi O's enjoy social functions, the interests of others are served by the fraternity.

Famous for their Sunday night pizza suppers is the Athenaeon Fraternity. The A's have always been noted for the closeness among their members and their advisers.

This fall the A's took in three pledges and spring rush promises to be bigger and better than ever. In addition to pizza suppers the A's also sponsored a car wash, this fall the fraternity was represented by a float in the Homecoming parade.

A year to relax? A year when a dream becomes a reality. A year of definite decisions of who I am and where I'm going. A year to student teach, to be interviewed, to be married. A year which brings a last football game, a last May Fete, a last first hour. A year which brings a new responsibility, a new hope and (hopefully) a new car. A time both to remember and to forget—A Senior Year.

JUNIOR CLASS

John Turner, Judy Whiteside, Jay Harmon, President; Marcia McCartney

A Year to lead in student organization and a year to follow the catalog's list of general graduation requirements. A year to establish a major and hunt for a minor. A year to get pinned or engaged. A time of realization that within the not to distant future, you'll be out of school. A time to wonder about the draft or marriage or both. A year of serious thought and promise—A Junior Year.

SOPHOMORE CLASS

The second year, the year of the “active” and of the committee meeting. No beanie, no strangness, home is here. Chapel is Friday not Thursday and you learn how to play bridge. Those young kids are freshmen and you begin to feel old at 19. It’s a year to probe deeper and a year to make decisions, what will I major in, will I transfer, will I go home for Thanksgiving? A year of deepening understanding and appreciation—a Sophomore year.

FRESHMAN CLASS

Jim Cornigans, Christine Kazimir, Dan Reed; President, Ron Nelson

The first year, filled with strange names and strange places. When a beanie and upperclassmen mean so much and the high school prom so little. When freedom becomes a challenge and home becomes its threat. A time filled with football, clothes and blue slips. A long distant telephone call and an empty mailbox. An introduction to chapel and "Wednesday night dress-up." A year to cry and a year to laugh, a year to doubt, a year to hope—a Freshman year.

ACKNOWLEDGEMENTS

This fall, on returning to campus, I was filled with both doubt and hope concerning the 1966 KEY. I knew that the book would get a critical appraisal by all the members of our university community and rightly so. I knew also though that I would have the assistance of a much more talented Assistant Editor than the 1965 KEY Editor had.

We have changed the format slightly to present what we hope will be a more interesting and acceptable year-book. Any success due this book is to a great extent due to the excellent help of an Assistant Editor who was always present with a smile and a suggestion which was nine out of ten times, right. I must also thank Larry Csajaghy who served as our Business Manager. I don't know how he could have stood all my yelling. Mr. Jack Boyd came in to serve as advisor and did an excellent job.

If you notice that the pictures are better, all credit must go to Hank Benz and John Lyons who were always helpful. Photographers at Telegraph-Herald must also be thanked for their help. One last member of the staff I can't forget is Barb Sendecke who worked harder than I did sometimes!

Taking my step to success.
